

**ADDENDUM TO JOURNAL  
OFFICE OF LEGISLATIVE COUNSEL**

**Tuesday - 11 August 1964**

1. (Unclassified - PJC) Delivered to Mr. Ed Braswell, Professional Staff Member, Senate Armed Services Committee, a copy of a study he requested relating to the distribution of employees to be retired with regard to grade, age, and length of service; and an up-to-date comparison of our Retirement Act with that of Foreign Service and Civil Service. Mr. Braswell stated that he would be unable to confirm the tentative meeting set for 9:30 Wednesday, and suggested that we meet with him on Friday morning instead.

2. (Unclassified - PJC) Spoke to Mr. Robert Alexander, on the staff of Senator Olin D. Johnston, in connection with an invitation extended to this Agency by a constituent of the Senator, to provide a speaker for a public meeting to be held next December. I advised Mr. Alexander that the nature of our work is such that we are obliged to honor a long standing policy to decline invitations to provide speakers for such events. Mr. Alexander stated that though the Senator had no personal interest in this matter, he would appreciate our sending a letter to the Senator along the line of our conversation.
